

ARABIA

COMPANY FOR READY GARMENTS

## About ARABIA Company

We are experts in the industry of uniforms making for our customers starting from the initial consultation stage to delivery time, with taking care of the required specifications on time to provide a comprehensive service.

Ready-made Arabian Corporation (Arabia Uniform) combines highly qualified employees, highly experienced workers and reliable external partners. We design, manufacture and supply uniforms to companies, factories, hospitals, schools, sports, hotels and restaurants clubs and major brands in accordance with international quality standards.

Noteworthy, creating a clear concept of what you want and need is vital to us before beginning the initial stage of designing and manufacturing uniforms.

The initial consultation with customers is one of the most important elements of this process, which leads to the effectiveness of aesthetic form with good raw materials with providing comfort factors for the consumers. All of this happens by holding a meeting with the customer and do a series of questions to help us understand your own project.

Our presence in the market for a long time and our current customers' trust have been a proof to the company's ability to meet their permanent requirements, supported by a team of over 30 years of experience in the garment industry on the ground.

We, our team, look forward to working with you.

## our clients

## Our Mission

Our main goal is to make a change in the uniform fabrication industry with our brand to keep leading the market by innovating, designing and adhering to quality standards in selecting the right raw materials for our customers. All fulfilled with punctual delivery times and providing high value products and services; using modern technology and advanced techniques.

## Our Vision

We strive to be pioneers in designing and manufacturing uniforms through innovation, determination and adoption of all international quality systems to provide customer total satisfaction. Furthermore, being a leading brand and a responsible company for developing society with our products is the company's main drive.

## Why us:

The Ready-made Arabian Corporation (Arabia Uniform) presents to you five reasons of being an integral part of your work culture, and also represents a certain lifestyle within your organization hereinafter:

- 1 – Work Requirements: The role of uniforms is very essential in the dissemination of confidence among the foundation's clients, as to stress on individuals' identity and subordination to the foundation.
2. Uniforms Privileges: Maintaining the time and energy of employees in selecting the appropriate clothes for work and saving money as well, and consequently employees would rarely purchase new clothes.
3. Sense of Belonging: The wearing of a single uniformed labor force leads to a sense of belonging, by which is an extremely difficult thing to be achieved.
- 4 - Sense of Equality: setting a single uniform for all the institution's individuals, regardless of their social classes instills a sense of equality among employees, and that achieves prosperity and development for the institution.
5. Reciprocal Growth: People in uniforms are more caring for their colleagues as to strengthen the idea of belonging to a single entity.
